# Definitions

---

Definitions of offenses and arrests reportable to the Uniform Crime Reporting program follow. Non-reportable offenses are not included (i.e. traffic related offenses with the exclusion of driving under the influence, open container in vehicle, and negligent manslaughter).

# WIBRS Definitions

## General Definitions

### Acting in concert

Acting in concert requires all offenders to actually commit or assist in the commission of all of the crimes in an incident. The offenders must be aware of, and consent to, the commission of all the offenses; or even if nonconsenting, their actions assist in the commission of all of the offenses.

### Adult

A person 18 years of age or older, regardless of the state's definition.

### Arrest

The act of detaining a person in legal custody in response to a charge that the person committed an offense in your jurisdiction. This includes notification of charges and date and time to appear in court such as by citation or summons (when served by an officer). Arrests are typically not documented until the point of booking or issuance of a citation/summons.

### Cargo Theft

The criminal taking of any cargo including, but not limited to, goods, chattels, money, or baggage that constitutes, in whole or in part, a commercial shipment of freight moving in commerce, from any pipeline system, railroad car, motor truck, or other vehicle, or from any tank or storage facility, station house, platform, or depot, or from any vessel or wharf, or from any aircraft, air terminal, airport, aircraft terminal or air freight station, warehouse, freight distribution facility, or freight consolidation facility. For purposes of this definition, cargo shall be deemed as moving in commerce at all points between the point of origin and the final destination, regardless of any temporary stop while awaiting transshipment or otherwise.

### Classifying

Determining the proper crime categories in which to report offenses in UCR. The offense's classification is based on the facts of an agency's investigation of crimes.

### Cleared by Arrest

An incident is considered cleared by arrest when at least one person involved in the commission of the incident has been (1) arrested, (2) charged, and (3) turned over to the court (i.e. the District Attorney) for prosecution.

### Cleared by Exceptional Means

A clearance in which some element beyond law enforcement control prevents filing of formal charges against the offender. Agencies can clear an incident exceptionally if they can answer all of the following in the affirmative. (1) Has the investigation definitely established the identity of the offender? (2) Is there enough information to support an arrest, charge, and turning over to the court for prosecution? (3) Is the exact location of the offender known so that the subject could be taken into custody now? (4) Is there some reason outside law enforcement control that precludes arresting, charging, and prosecuting the offender (for example, death of offender, prosecution declined for other than lack of probable cause, victim refused to cooperate in prosecution, etc.)?

### Constructive Possession

The condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.

## **Crime Against Persons**

Offenses in this category include criminal homicide, sex offenses, kidnapping, human trafficking, and aggravated assault. One offense is scored for each victim.

## **Crime Against Property**

Offenses in this category include robbery, burglary, larceny-theft, motor vehicle theft, fraud, counterfeiting, embezzlement, vandalism, bribery, stolen property, extortion/blackmail, and arson. One offense is counted for each distinct operation, except in the case of motor vehicle theft for which one offense is counted for each stolen vehicle.

## **Crime Against Society**

Offenses in this category include Prostitution, drug/narcotic violations, weapons, gambling, pornography, and animal cruelty. One offense is counted for each distinct operation.

## **Hate Crime**

A criminal offense committed against a person, property, or society which is motivated, in whole or in part, by the offender's bias against a race, religion, disability, sexual orientation, gender, gender identity, ethnicity, or ancestry; also known as a bias crime.

## **Hotel/Rental Storage Facility Rule**

Burglaries of hotels or rental storage facilities can be placed under one incident and the number of units burglarized noted. The number of burglary offenses will equal the number of units burglarized for that location. All other location types will always be counted as one burglary.

## **Incident**

One or more offenses committed by the same offender, or group of offenders acting in concert, at the same time and place.

## **Juvenile**

For scoring arrests, the UCR program considers a juvenile to be an individual under 18 years of age, regardless of the state's definition.

## **Motor Vehicle**

A self-propelled vehicle that runs on land surface and not on rails.

## **Same Time and Place**

If the same person or group of persons committed more than one crime and the time and space intervals separating them were insignificant, all of the crimes make up a single incident. Normally, the offenses must have occurred during an unbroken time period and at the same or adjoining locations. However, incidents can also be comprised of offenses which by their nature involve continuing criminal activity by the same offenders at different times and places, as long as law enforcement deems the activity to constitute a single criminal transaction.

## **State Identification Number (SID)**

The SID number is assigned to an individual the first time an arrest fingerprint card is received at the Crime Information Bureau (CIB). The number remains with that person as long as the CIB retains the file. Some electronic fingerprint submission devices or record management systems may not be able to accommodate state identification numbers exceeding eight characters (WI999999). In those instances, the preceding WI should be removed from the state identification number and only the seven digit number be submitted (1000020).

## **Structure**

Has four walls, a roof, and a door. Includes, but is not limited to, apartments, barns, cabins, churches, condominiums, dwelling houses, factories, garages, house trailers, moving containers, or houseboats.

## **Unfounded**

A complaint is determined through investigation to be false or baseless. In other words, no crime occurred.
